## Kaw Nation Powwow

### Head Dancers and Princess

KAW CITY, OKLA. - The annual Kaw Nation Powwow started Friday, July 31st for its three day Intertribal Powwow, east of Kaw City at the tribal powwow grounds located at Washunga Bay on Kaw Lake.

The Kaw Nation Cultural Committee announced Ken Bellmard II as the head man dancer with Virginia Plumley serving as the head lady dancer. Bogahdah Murray is the incoming 2009-10 Kaw Nation Powwow Princess.

**HEAD MAN DANCER** Kennis (Ken) Monte Bellmard II, a member of the Kaw Nation, is the son of the late Kennis Monte Bellmard Sr. and Lily C. Bellmard and is the grandson of Theodore Roosevelt Bellmard and Jesma Dale (Key) Bellmard, and Pablo Trujillo and Susan (Gonzales) Trujillo. He is a direct descendant of White Plume (No-Pa-War-Ra).

Bellmard was born in Ponca City and now lives in Oklahoma City. He is married to Debra Diane (Clegg) Bellmard and has two sons, Joshua Paul Bellmard and Dylan Tamerlane Bellmard.

Bellmard was past Drum keeper for the Kaw I'Loshka (Men's Committee). He is a graduate of Northern Oklahoma College (A.A.), Oklahoma State University (B.S) and the University Of Oklahoma College Of Law (J.D.). He was a High School State Champion wrestler for Ponca City High School and a College

All-American wrestler, later coaching wrestling at Ponca City East Middle School and at Newkirk High School before attending Law School.

Bellmard has practiced Native American law for twenty years and is now an attorney at the Edmond law firm of Rubenstein, McCormick and Pitts.

**HEAD LADY DANCER** Virginia Plumley is a member of the Kaw Nation and is descended from two chiefs from her Kaw and Otoe-Missouria tribal nations.

Her parents are the late Roy "Woodie" Hughes and Melrose Ellen McGlaslin. She is sister to the late Johnny Hughes.

Her husband was the late Lelus A. Plumley and together they adopted two granddaughters, Niesee and Shalimar Plumley, who both served as Kaw Nation Powwow Princess, Jr. Miss Oklahoma City and Little Miss Oklahoma City.

**POWWOW PRINCESS** Bogahdah Nicole Murray is the daughter of

## A MESSAGE FROM GUY MUNROE THE CHAIRMAN AND CEO

**GUY MUNROE**  
Chairman and CEO, Kaw  
Nation

Greetings to all Kaw Nation tribal members:

We were certainly blessed with wonderful weather for this year's Powwow, compared to years past when temperatures would peak in the high 90's to 100 degree mark.

A special "Thank You" goes to the Cultural Committee, our Maintenance crew, Kaw Nation Veterans, and the many volunteers it takes to prepare for such a special event. Great job!

Tribal members from Alaska, Maryland, New Mexico, Michigan, Texas, Missouri, Kansas, Oregon and other states joined us for a weekend of fellowship and dancing.

I had the opportunity to

visit with tribal members on a variety of topics including constitution reform, how the tribe is doing in the current financial downturn, and what we are doing to hire Kaw's who may be out of work.

I can tell you that the financial downturn is affecting the tribe and we are carefully examining spending to ensure we don't need layoffs.

When it comes to hiring Kaw's, I checked with our Human Resource Director and am pleased to report that in the last year we have received over 170 applications. Only 12% of the applications come from Kaw's, however, nearly half of those applying have been hired. Of the remaining 88% of the applicants only 35% are being offered jobs, meaning Kaw's are far more likely to be hired than others.

The Constitution Reform Committee has not made a final decision on lowering the blood quantum, but believes it is necessary for the tribe to sustain itself.

As our numbers continue to grow, so do the responsibilities of the Executive Council and of you, the General Council, in meeting the needs of our tribal members. With 3,039 members scattered across the United States, it is difficult to communicate efficiently and more frequently with our members in Oklahoma, and other states. We encourage each and every tribal member to get involved in those decisions which will affect not only you, but your children, grandchildren and future generations that will follow. Voice your concerns, speak up, and get involved.

To help make communications easier, any tribal member is welcome to call our Toll Free number 1-866-404-5297 (KAWS).

I invite you to call Kaw Nation Administrative Headquarters at any time to ask questions, share your concerns, request help, comment on tribal activities, or share your family achievements

with us. If I am unavailable when you call, please leave your number and message on my voice mail, and I will return your call as soon as possible. My extension is 201. Our business hours are Monday through Friday, 8:00 a.m. to 5:00 p.m.

Another means of communications is our website at [www.kawnation.com](http://www.kawnation.com), should you have access to the internet, or the Kanza News (published quarterly) is another source of information. We hope that you will find it useful in keeping up with what the tribe is doing.

For information concerning the Kaw Nation Constitution Reform, call our Toll Free number listed above, and ask for Aaron Carlson at extension 233 - or visit the website at [www.kawcrp.com](http://www.kawcrp.com) for the Newsletters and schedule for upcoming meetings.

Tamara Bogahdah (Murray) Fry. Her Grandmother is Bogahdah Ann Murray and her grandfather is Vincent "Ish" Eugene Murray. She receives her Kaw tribal heritage from both of her grandparents.

Her great-grandparents are Maggie Bogahdah Bowker Ball and Roy Ball.

Her great-great-great grandparents are Tom-Pah-Pe and (Big Boy) Kekahbah. On her grandfather's side, his paternal grandparents are Grace Clark Murray and Walter Murray and her great-great-grandparents are Maude McCauley Clark Rowe and Oscar Clark, and her great-great-great grandparents are Tah-Jah-Me-Ah and Claude McCauley.

### STORM BRAVE PRINCESS 2008-2009

We are very appreciative of Storm Brave's contribution to Kanza language this summer. As part of her summer internship she catalogued numerous archival materials, indexed a useful reference book, and added many example sentences to the Kanza dictionary. Her work really adds to our knowledge of

the Kanza language.

Storm Brave has done a tremendous job in fulfilling her crown, plus all the responsibilities that go along with the title of Princess.

# Constitution Reform Committee continues to work

The Constitution Reform Committee continues to educate themselves. Committee members recently visited with another tribe who rewrote their Constitution. The committee held a Public Hearing at the Kaw Powwow and continues to invite comments from other tribal members.

Aaron Carlson - Project Director

In July, several members of the committee traveled to Shawnee to meet with the Citizen Potawatomi Nation (CPN). The CPN underwent Constitution Reform a couple of years ago and provided insight as to the process they undertook. The Potawatomi's increased the size of their legislature (Executive Council) and set up districts across the United States. The thought was that this would allow the tribe to better serve the interest of the people outside of the

service area. The committee plans to visit other tribes in the near future who have also undergone constitution reform.

During the Kaw Nation Powwow, the Constitution Committee held their first Public Hearing. The point of the hearing was to hear the views of tribal members in regards to what needs to be reformed. Topics that arose at the public hearing were changing the

blood degree required to seek public office, the process we will undertake and how compromise is going to be necessary in order to reform our government.

The Constitution Reform Project was made possible by a grant from the Administration of Native Americans in the United States Department of Health and Human Services.

If you have questions or comments, please direct them to the Constitution Reform Project Director, Aaron Carlson at 580-269-2552, Ext. 233, or at [acarlson@kawnation.com](mailto:acarlson@kawnation.com). The committee continues to solicit comments from tribal members at the Constitution Reform Project website, [www.kawcrp.com](http://www.kawcrp.com), or by writing or calling the tribal complex.

## Flu Season just around the corner

As you may know, flu can be easily spread from person to person. Some schools have already started, and that usually brings on the flu. Here is an important list to stick on your refrigerator door.

➤ Teach your children to wash their hands often with soap and water or an alcohol-based hand rub. You can set a good example by doing this yourself.

➤ Teach your children not to share personal items like drinks, food or unwashed utensils, and to cover their coughs and sneezes with tissues. Covering up their coughs or sneezes using the elbow, arm or sleeve instead of the hand when a tissue is unavailable.

➤ Know the signs and symptoms of the flu. Symptoms of the flu include fever (100 degrees Fahrenheit, 37.8 degrees Celsius or greater), cough, sore throat, a runny or stuffy nose, body aches, headache, and feeling very tired. Some people may also vomit or have diarrhea.

➤ Keep sick children at home for at least 24 hours after they no longer have fever or do not have signs of fever, without using fever-reducing drugs. Keeping children with a fever at home will reduce the number of people who may get infected.

➤ Do not send children to school if they are sick. Any children who are determined to be sick while at school, they will be sent home.

For more information, you can visit [www.flu.gov](http://www.flu.gov), or call 1-800-CDC-INFO for the most current information about the flu.

# 2009 OKLAHOMA WILDLIFE EXPO

Come discover new and exciting ways to enjoy your outdoor Oklahoma at the 2009 Oklahoma Wildlife Expo at the Lazy E Arena (between Edmond and Guthrie) September 25-27, 2009 Friday, Saturday and Sunday 8 a.m. - 6 p.m.

1. Its 100% free, even the parking.
2. You're never too old or too young to try something for the first time. You could ride a four-wheeler, shoot a bow and arrow, throw a spear, and cast a fly rod... maybe even saddle a mule.
3. You might learn how to keep that rowdy dog of yours under control at the dog training area.
4. Two words: fried catfish. If you have a hankering for fried catfish, venison jerky, or bison chili -

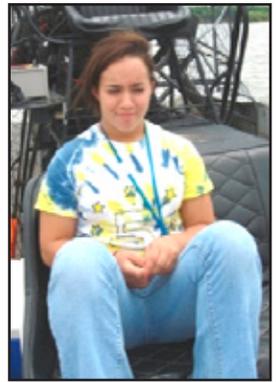

- you can try them for free at the Taste of the Wild booth.
5. After your rambunctious kids climb a rock wall, ride a mountain bike, paddle a kayak, catch a fish and generally run wild around the Expo you're sure to get some peace and quiet because they will be tired and ready to hit the pillow when you get home.
  6. Standing inside an enclosed canopy with a few hundred butterflies all around you is just plain cool.
  7. You can win a bunch of prizes from hats to an ATV to outdoor merchandise.
  8. It is the biggest display of outdoor-related activities and conservation groups you will ever see in your lifetime.

## SUMMER INTERNS GOING BACK TO SCHOOL

Unfortunately the summer is almost over for our two interns, Cody Pappan and Krista Cross. They both start college on August 17th so their last day with us will be August 14th.

Cody and Krista have helped our department in so many ways during our busiest time of the year. In return, we hope they learned about the environment and might consider going into the field of Environmental Science.

## GRADUATES

On May 16th, 2009, Kaw Nation member Brent Wall graduated from the University of Oklahoma with a Master's

Degree of Landscape Architecture. Brent Wall is the son of Johnnie and Veralyn Wall and the Grandson of Colleen Pappan Wall. During Wall's graduate studies, he received two merit awards for academic achievement from the American Society of Landscape Architects and was the recipient of a Sooner Heritage Scholarship. Upon graduation, he accepted a position with Howard-Fairbairn Site Design, a landscape architecture and site planning firm, located in Oklahoma City. Brent has also accepted an adjunct faculty position in the University Of Oklahoma Division Of Landscape Architecture, for the 2009-2010 school years.

# Honoring veterans at flag raising

NEWKIRK, OKLA. – Kaw Nation Cemetery Committee held a special ceremony to “Honor All Kaw Veterans”.

Several changes have been made at Washunga Cemetery this past year. South of the entrance, you will find a new pavilion. New benches are placed under the pavilion for family and friends to visit or to meditate, and is surrounded by shrubs and flowers adding a touch of beauty to its look.

Near the flag pole sets a memorial dedicated to Kaw Veterans and reads as follows:

HONORING ALL KAW VETERANS - THE UNITED STATES OF AMERICA

To all to whom these presents shall come, greetings: The thanks of the Nation is extended through the President, Commander-in-Chief of the Army and Navy of the United States to the people of THE KAW TRIBE for their unswerving loyalty, and patriotism the splendid service rendered, the willing sacrifices made, and the bravery of their sons in the military and naval service of the United States when the Nation was in peril during World War 1 of 1917-1918.

*July 24, 1924-President Calvin Coolidge*

Luther Pepper gave a special blessing for those individuals who wanted to receive.

## Receiving the Flag

Receiving of the flag is an honor given to those deceased men/women who have served in the Armed Services. Colleen Bellmard is shown receiving the flag in honor of her husband, Jack Bellmard. Kaw Nation Veterans presenting the flag are: Pictured from the left: Roy Ball, Guy Munroe and Lonnie Burnett.

Lillie Bellmard receives the flag honoring her deceased husband, Ken Bellmard, Sr. Veterans presenting the flag are Roy Ball, Lloyd Pappan and Lonnie Burnett. Not pictured is Naomi Wright, who also received a flag in honor of her father, Houston Taylor.

## Feelin Fine N 2009 Kaw Nation Health Fair

It's that time of year to begin thinking about attending our Health Fair, "Feelin Fine N 2009." So mark Friday, October 16th, 2009 on your calendar for this event, which will be held at the Johnny Ray McCauley Multi-Purpose Building - 3251 E. River Road Newkirk, OK. Our hours for the Health Fair will be from 9:00 A.M. to Noon. Lunch will be served at 11:30.

The day will begin with a fun walk from 8:00 A.M. - 9:00 A.M. The participants that who complete this walk, will receive a free T-shirt.

We will have booths to do blood

sugars, blood pressure, hearing screening, body mass index, respiratory screening, nutritionist, and other booths that will have valuable health information.

We will be sponsoring a blood drive that day. You may volunteer to be a donor by calling 580-362-1039. We will also take walk-ins. The Hunter Clinic from Wichita will be doing HIV screening.

Come early to walk with us, stay and visit the booths, perhaps win a door prize, and eat lunch with us.

# The Land Of The FREE!!

Casey Don Slavin was inducted into the United States Army on March 13, 2007, and is stationed in Fort Hood, Texas, where his wife Tiffany and their three children, Hanci, age 7; Hayden, age 5, and Harlee, age 4, anxiously await his return home from the war.

Casey completed his Basic Training and Advance Infantry Training at Fort Benning, Georgia. Graduation was held on June 29, 2007. Casey then attended specialized training in California during the months of January and February 2008. He left for Afghanistan on July 10, 2008. Since he has been in Afghanistan, Casey has been promoted to Specialist and is looking forward to a lateral promotion to Corporal in the next few weeks. His MOS is Mortar man and is currently serving with the 1st Infantry Division, 26th Battalion Bravo Company or otherwise known as "The Viper Company". Upon his return to the United States and Fort Hood this coming June, he and his family will be looking forward to their transfer to Fort Carson, Colorado. Casey intends to make a career of being in the Army and hopes to retire.

Casey had the honor and privilege to meet General David Petraeus, Central Command Commander, who presented him with a Challenge Coin and recognition for having completed 72 missions while in support of Company operations stating, "His leadership among his peers has significantly improved the company's ability to provide 120mm mortar support to soldiers in contact." In October 2008, Casey received an Army Commendation Medal with Valor.

Casey returned to the United States on June 19, 2009. Michael and I drove down to Fort Hood to welcome him home along with his wife and children. It was

one of the most moving experiences we have ever been a part of. We witnessed the excitement, relief, love and pride from so many that were waiting and watching for their soldier.

Casey is a descendant of the Otoe-Missouria Tribe of Red Rock, Oklahoma and an enrolled member of the Citizen Potawatomi Tribe of Shawnee, Oklahoma.

Casey is the son of Dawn and Michael Briner of Ponca City. Casey's maternal grandparents are Madge Francis Dent-Artman and John Artman, great grandparents were the late Abraham and Wilma Dailey Dent, great-great-grandparents were Ralph and Madge Pettit Dent, and

great-great-great grandparents were Hoke and Miriam Haragarra Dent. Casey's father is Keith Slavin, also of Ponca City, and his paternal grandparents are Kenneth and Ila Slavin of Ponca City, great-grandparents were Frank and Ida Evans Slavin, great-great-grandparents were James and Delle Ott Slavin, and great-great-great-grandparents were James and Theresa Wasecti Slavin.

As an employee of the Kaw Nation, I am very thankful to the employees who have taken the time to inquire about my son's safety and well being. It has been a difficult year and we truly appreciate everyone's thoughtfulness and encouragement.

## FOR MY SON

Poem by Dawn Briner, 02/2008

God blessed me to see  
On the day he was born  
On him a uniform would  
be worn

God blessed me to see  
So tall and proud a mother's  
pride  
Other mother's sons now  
march at his side

God blessed me to see  
A son, brother, nephew  
and father  
We blessed him with a  
sacred feather

God blessed me to see  
Such pride, courage and  
majesty  
To serve and protect this  
great country

## GRANTS & CONTRACTS

The Grants and Contracts Department continues to submit grant applications that will serve the tribal members in the service area and the tribal community. Since March, 2009 the Kaw Nation has submitted 13 grant applications totaling \$4 million. These grant applications are to fund programs in areas of: domestic violence, children and youth wellness project, vocational rehabilitation program for Native Americans, and a Tribal Management Grant that will allow the Kanza Clinic to develop and implement an electronic health record system. These are a few examples of what programs the Kaw Nation is seeking funding.

The Grants and Contracts Department

has recruited a Program Development Specialist/Grant Writer, Nick Endicott. Nick resides in Ark City, Kansas and is working on completing his Masters Degree in Anthropology from Northern Arizona University. The Grants and Contracts Department is currently recruiting for: Grants Compliance Specialist and a Program Development Specialist/Grant Writer. The deadline is August 7, 2009 and hopefully by the next Newsletter we can announce those positions filled. Other staff members are: Cindy Grounds, Director, Amanda Wamego, Program Development Specialist/Grant Writer, and Peggy Suter, Administrative Assistant.

The Grants and Contracts Department is the main repository of all grant applications for the Kaw Nation and often times we will receive inquiries regarding grants for individuals. The Department applies for grant funding for program development which benefits the whole tribe. If you are inquiring about small business loans or grants for small businesses, you will need to contact the Small Business Administration in your area. If you should have any questions, please contact our offices at (580)269-2552.

Thank you,

— Cindy Grounds,  
Director of Grants & Contracts

## GUEST OF THE KAW NATION

Commander Sean Martin and Col. Archie Fry from the 931 USAF Reserve Air Refueling Group, McConnell Air Force Base, were guest of the Kaw Nation for this year's Intertribal Powwow. Commander Sean Martin and Col. Archie Frye were invited by the Kaw Veterans to join them in the grand entrance on Saturday, August 1, 2009.

Seated from the left are Emily Douglas, Crystal Douglas, (Kanza Museum Director), Brittany Frye, Sean Martin Commander, Donna Martin, Ryan Martin and Col. Archie Frye.

## Environmental news

Kaw Nation Environmental Department supplied the funding to clean up two dumpsites (see above) in Kay County. Kay County District #2 cleaned the location at LA Cann and Newkirk Lake while Davis Sanitation cleaned the Braman site.

On July 11, 2009, Jason Murray, walked his sister Jennifer down the aisle to marry Kenny Baker in Alaska. Jason and Jennifer's parents are Randy Murray (deceased) and Becky Martin of Soldotna, Alaska.

Kenny works on the North Slope and also works as a Commercial Fisherman in the summer. Jennifer works in the Home Health Care field. The couple currently resides on the Kenai Peninsula.

Jason is an employee of Kaw Nation Enterprises as a Sales Representative for Tobacco Row Inc.

## Betty Durkee, Kaw Nation Historian, passes away

Betty Durkee, Kaw Nation Historian passed away on July 4th, 2009.

Betty initially joined Kaw Nation in August, 2000 as a Grant Writer. Her expertise in history quickly led her to become Kaw Nation Historic Preservation Director. She was a graduate of Penn State with a B.A. in English and History. Betty was a member of the elite Phi Beta Kappa.

Some of the special interest groups she belonged to were as follows: The Marland Mansion Estate Foundation, Oklahoma Federation of Music Clubs, National Museum of the American Indians, and Ponca City Native American Foundation. Betty retired from Kaw Nation in October, 2008.

"Betty's passing is very sad news for many. Betty was as loyal and passionate about Kaw history as anyone I've met. She was definitely a great friend of the Kaw. She will be missed". Mary Honeyman - Kaw Mission -Kansas Historical Society

"Betty was a knowledgeable, hard-working, and dedicated representative of the Kaw Nation. She made many friends in Council Grove and throughout the state of Kansas. She brought good humor and a can-do attitude to every endeavor she undertook. When she came to the Kaw Mission during an event, she always volunteered to assist our staff, and no task was beneath her: greet visitors, sweep floors, distribute brochures, serve food; Betty was willing to do anything. I respected Betty's talents as a public speaker, grant writer and administrator, historian of the Kanza people, and loyal promoter of the Kaw Nation.

She was fiercely dedicated to the Allegawaho Memorial Heritage Park project. She coordinated the planning for the park development, secured funds to stabilize the ruins of the interpreter's house, co-authored the park trail's interpretive brochure, presided over dedicatory events at the park, supervised the implementation of interpretive features currently in place, and promoted the park to various Council Grove organizations. In all of these endeavors, Betty was consistently appreciative of the contributions of others and an effective advocate for the preservation and dissemination of Kanza culture and history. She was a true friend of Kaw heritage." Ron Parks – Kaw Mission Historian

"For those of us who took time to know Betty on a personal level, it didn't take long to see her soft, tender side. She adored all animals, from her faithful companion "Sunshine" (her cat) to the Panda bears in China, she loved them all. Betty was a supporter of the San Diego Zoo and enjoyed the Performing Arts Theater. She also enjoyed reading. It was an honor to have her as my friend." Jennie Baker - Kanza News

## GREETINGS FROM JACKIE DODSON...KANZA HEALTH DIRECTOR

We have received many questions and concerns about the Contract Health Services process and referrals. At this time I would like to address some of the most Frequently Asked Questions (FAQ's) concerning Contract Health Services.

### 1. What is Contract Health Services?

- a. Contract Health Services (CHS) includes resources for the provision of medical services outside the scope of the Indian Health Services (IHS) direct care program.
- b. Due to the limitation of CHS resources, funds must be managed in accordance with established medical priorities.
- c. CHS resources are used for referred services "referrals," and emergency services.
- d. CHS can be accessed through 2 methods:
  1. Referral by Indian Health Service, Tribal Physician or Urban Program
  2. Emergency Services (Call-In)
- e. A referral does not authorize payment for medical care delivered, and some CHS medically indicated referrals are not within established and funded medical priorities and cannot be paid by CHS. If services are approved, the patient will be contacted by CHS with appointment information or you may contact your servicing CHS Office (Pawnee Health Service) at 800-452-3588 to find out the status of your referral.

### 2. What is the function of the Contract Health Review Committee?

- a. CHS obligates funds ONLY to the extent of the resources available.
- b. CHS Review Committee reviews all referrals and emergency contacts, Requests are reviewed and categorized in accordance with established medical priorities Requests are ranked in accordance with relative medical need within the medical priorities
- c. Referrals are made for only 1 visit at a time or a prescribed number of Visits. Patients are required to return for another referral for a follow-up visit and the medical priority of the follow-up request may be different.

### 3. Who is eligible for Contract Health Services (CHS)?

- a. You must be a member of a federally recognized tribe and have a Certificate Degree of Indian Blood (CDIB).
- b. You must live in the Contract Health Services Delivery Area (Pawnee Service Area). Pawnee Service Area is made up of 7 counties: Kay, Noble, Payne, Grant, Garfield, Osage and Pawnee.
- c. You must provide proof of residency for the past 6 months in the CHSDA (Pawnee Service Area) (i.e.: driver's license, picture ID, utility bill, income tax record, etc) and a CDIB card.

### 4. Why do I have to apply for Alternate Resources (Medicare, Medicaid and/or 3rd party insurance)?

CHS is a payor of last resort: this means that approval of CHS payment for services is considered after all other alternate resources are applied. Any patient who is potentially eligible is required to apply for the alternate resources.

### 5. If I am eligible for CHS, why are some of my medical bills being paid and others not?

- a. Each visit to an outside physician (Non-IHS health care provider) and the associated medical bill is distinct and must be examined individually to determine CHS eligibility.
- b. All CHS requirements must be met for each episode (treatment) of care. A patient must meet residency, notification, medical priority of care and use of alternate resources requirements.

Example: If a CHS referral is authorized and approved, IHS will pay the first medical treatment. Follow up care or additional medical care should be done nearest accessible IHS or tribal facility; or they will require approval with a new CHS autho-

rization. If this process is not followed, the patient may be responsible for the expense.

### 6. The Kanza Clinic doctor refers me to a specialist, why am I being held responsible for the bill?

Referrals are not a guarantee for payment. Referral is a recommendation treatment and/or test only. The CHS program must review the referral to make the determination for IHS approval of payment. All CHS eligibility requirements must also be met.

### 7. What is the 180-day rule?

- a. A person who is permanently moving from one contract health service area to another contract health service area must wait 180-days (6 months) to be eligible for services in the new contract health service area.
- b. During that 180-day waiting period, if the person comes from a home base contract health service delivery area, that service area should cover their contract health services; if the person comes from an area that does not have a contract health service delivery area, the waiting period still applies until they are established in the new contract health service area.
- c. The 180-day rule applies until the client establishes residency and becomes eligible in their new contract service delivery area.

### 8. How does a CHS Program determine if a client has established residency?

Residency is determined by both the physical presence of an individual in current location combined with the intent of the individual to remain permanently. Steps to follow to establish residency and receive referrals are:

- 1) Establish a chart at the Pawnee Health Center in order to be eligible for referrals;
- 2) Provide Kanza Clinic residency proof for the past 180-days or 6 months one the following:
  - Driver's license or picture ID
  - utility bill or
  - income tax record

### 9. Why can't I get referrals when I want them from Kanza Clinic?

- a. Referrals are a recommendation from Kanza Clinic physician given to a patient to receive medical procedures and/or treatment from an outside physician or medical facility;
- b. The physician determines if the patient's condition warrants a referral; not all conditions qualify for a referral. Questions concerning this should be addressed to your Kanza Clinic physician.

I hope I have answered many of your questions and I plan to continue addressing issues of this nature in future Newsletters. Kanza Clinic's goal is to provide an excellent standard of service to our patients.

# Kaw Tribal Child Support

At the National Tribal Child Support Association meeting held in July in Milwaukee, Wisconsin, Jay Adams and the Director of the Division of Special Staffs in the Nation Office of Child Support Enforcement in Washington, DC commended the tribes for the wonderful job that has been done to help support Native American children. Since March, 2004, \$83 million has been collected for Tribal child support. Another \$11 million has been returned to the states for TANF reimbursement. Paternity has been established for 72,000 Native American children.

The Kaw Nation Child Support office was the 20th Tribal office that was opened nationwide. Since July, 2008, the Kaw Nation Child Support Office has established paternity on numerous cases, has modified child support orders, and has established orders for child support through the Kaw Nation Court.

Tribal child support programs are unique because each office is able to offer services that most states do not have the

time or money to do. All the workers in the Kaw Nation Child Support office are buccal swab certified to make genetic testing for paternity establishment faster, easier and more confidential. The State Distribution Center is used to provide direct deposit of child support to your account. There is still the option of child support being deposited to a Visa card for your convenience.

The process to apply for child support services or to have your current child support case transferred to Kaw Nation Child Support office is a simple one. The case specialists are available and willing to help with any child support problems that you may encounter. If we can be of help to you in collecting child support, please give us a call at the office at 580-765-9952.

## WHAT IS PRIDE?

PRIDE is a diabetes education program offered to patients of the Kanza Health Clinic.

Our mission is to provide culturally appropriate diabetes care and education. PRIDE is being, Proud, Responsible Indians with Diabetes Education.

### Cultural Competence

PRIDE's curriculum is based on the Indian Health Service's National Diabetes Program, "Balancing Your Life and Diabetes". This tested and effective curriculum provides culturally sensitive information about diabetes self-management and health care practices.

### PRIDE Classes - Education topics include:

#### Session One:

- What is diabetes?
- Blood glucose monitoring
- Balancing your blood sugar

#### Session Two:

- Making Healthy Changes
- Knowing Your Numbers: ABC

#### Session Three:

- Moving to Stay Healthy
- Diabetes: Mind, Spirit and Emotion
- Healthy Eating

#### Session Four:

- Diabetes Medicine Overview
- Taking Care of Your Feet
- Staying Healthy with Diabetes

Classes are offered in group or individual settings. We encourage participants to have a family member or friend attend all sessions and meetings with them. The PRIDE program believes patients are more likely to have a positive attitude about learning when family members are supportive and enthusiastic about diabetes education.

If you are interested in scheduling an appointment to begin PRIDE class, call Cindy Wilson PHN, Diabetes Coordinator at the Kanza Health Clinic 580-362-1039 Ext 212.

## CAN THE TRASH

Along with the permission of the Oklahoma Department of Transportation, KNED placed two two liter cans along Highway 11 between Kaw City and Highway 77.

## SOUTHWIND MARKETING

In June, SouthWind Marketing (formerly KEDA Marketing) began offering printing and sign making services to the general public.

Earlier this year, the marketing group acquired a large format printer to provide signs for the casino and other enterprises. This printer can print on a variety of paper, vinyl, canvas, coated and adhesive stock in sizes up to five feet wide by two-hundred feet long. They also have a high quality color printer that can print up to 12x18 and provides excellent color reproduction and coverage for letterhead, business cards and fliers.

While providing signage, printing, pump toppers, and banners for the enterprises, they started to receive calls from vendors asking for help with their sign needs. From this need, SouthWind Marketing was born

If you would like to know more about SouthWind Marketing call (580) 747-2152.

# SouthWind Casino hosts Titanic Party

On Thursday, July 23rd, the Bingo Hall at SouthWind Casino was turned into the Titanic dining room as a fundraiser for the Newkirk Main Street organization. Forty foot murals of the ships actual dining room were hung on each side of the hall, big band music played, while 136 guests enjoyed a prime rib dinner, a \$10 Match Play, and the chance to win fun prizes while playing Blackjack.

This event was the first time the Casino has catered an event for an outside group, and it proved to be a huge success. We added sixty-three new members to The Smart Money Club, made the business community aware of the services we offer, and helped raise over \$1700 for the Main Street organization.

The bingo hall can seat up to 200 people at round tables or up to 400 people at rectangular tables. We can cater breakfast, lunch or dinner, and will be happy to work with groups to develop the decor around a theme. We are able to offer this service Monday through Thursday, whenever Bingo is not in session.

If you would like more information, please contact Nancy Walton at (580) 747-2152.

## KAW Nation Self-Governance Department

The Self-Governance Department has been very busy preparing the 2010 Bureau of Indian Affairs Funding Agreement. We will be negotiating in August and then we will prepare for the 2010 Indian Health Service negotiations.

Kaw Nation will receive \$124,000 for some renovation at the Kanza Health Center and \$28,937 for five Examination Tables. The money is coming from the American Recovery and Reinvestment Act of 2009, Public Law 111-5 (ARRA). This funding is very restricted and cannot be used for anything else.

President Obama appointed Kathleen Sebelius as the new Health and Human Services Secretary. Secretary Sebelius was sworn in on April 29, 2009. She has over 20 years of experience in state government, and has been a leader on health care issues for over a decade.

Dr. Yvette Roubideaux, a member of the Rosebud Sioux Tribe, South Dakota, was sworn in as the Indian Health Service, IHS Director on May 12, 2009. Dr. Roubideaux previously worked for IHS for three years as a clinical director and medical officer at the San Carlos Service Unit on the San Carlos Apache Indian reservation in Arizona.

Larry Echo Hawk, an enrolled member of the Pawnee Nation, was sworn into office by Secretary of the Interior, Ken Salazar, on May 22, 2009 as the Assistant Secretary of Indian Affairs. Prior to his appointment, Mr. Echo Hawk served for 14 years as a Professor of Law at Brigham Young University.

If the Self-Governance Department can assist any tribal member, please contact us at (580) 269-2552: Terri Humble, Self-Governance Director; Cheryl Vazquez, Self-Governance Coordinator/Trust Officer; and Tammy Wingo, Self-Governance Secretary.

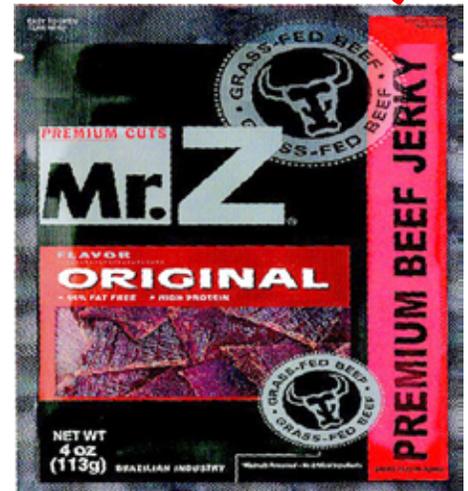

# Tobacco Row Adds New Brand of Beef Jerky

Tobacco Row recently added a new premium brand of beef jerky to the line of merchandise they wholesale to convenience stores and smoke shops in Oklahoma and Kansas.

Mr. Z premium beef jerky is Brazilian-raised grass fed beef. It is 96% fat free and comes in four flavors including original, teriyaki, peppered and sweet & hot. Mr. Z is available at Woodridge Market, the Smoke Shops, Kanza Travel Plaza and SouthWind Casino.

Tobacco Row Inc. (TRI) was acquired by the Kaw Enterprise Development Authority in May 2007. In 2008, KEDA moved the business to Ponca City, Oklahoma and construction was completed on our modern 10,000 square foot facility on Hubbard Road. TRI has been designed for optimal efficiency to service our clientele with prompt and professional service at a competitive price.

Tobacco Row carries a select line of cigarettes and other tobacco products in the second and fourth tier market. They also provide a select assortment of cigars and related products in addition to a line of top selling smokeless products.

## Woodridge Market adds happy hour drink special

Woodridge Market recently added a happy hour drink special and to-go menu to attract customers on their way home.

From 4-6 pm each day you can get a 32-ounce beverage for just 69¢. And while you're at Woodridge, pick-up dinner to go. Choose from many favorites, including chicken strips, shrimp, hot wings and more! They also offer hot breakfast sandwiches and lunch specials.

And don't forget the famous beer cave. Woodridge is well known for offering the coldest beer in town! Whether you're on your way home, or on your way to the lake, Woodridge Market is your one-stop shop for food, gas and beverages!

## The Wandering Hunters Of The Plains

Among the farming Plains Indians, from the Osage and Wichita to the Mandan, there was corn – to be roasted long and slow in the husk until each kernel was sweet and milky; parched until crunchy, golden, and nutlike; or pounded into a meal for making bread and thickening stews. One variety of corn had ears no longer than a man's thumb, so tender and sweet they could be eaten like grapes.

# PLACE OF HONOR

We are in search of Kaw Tribal veterans, both living, and deceased.

If you know of anyone who has served in the military (including the Civil War), please forward an 8-by-10 photo, preferably in uniform, along with their service record, and what they did while serving. Should you think we already have a photo, please send another one to be on the safe side.

These photos will be framed and permanently hung in the Community Center at Washunga.

## PIONEER TECHNOLOGY RESOURCE FAIR

Kaw Nation participated in the 2009 Pioneer Technology Resource Fair held May 8, 2009, in Ponca City, OK.

This event was sponsored by the Osage Million Dollar Elm Casino. The Resource Fair was held to provide information and resources to displaced

workers, the unemployed or people that are curious about services offered in the area, and how to obtain these services.

Home National Bank employee, and Kaw Tribal member, Debbie Vap.

Kaw Nation Child Support Services employees: Vickie Page and Dawn Briner.

Kaw tribal members attending the fair are (from left), Laura Rowton and Little Carol Clark.

## Recipes from TITLE VI

- Ladoma Bryan - Director

### Barbecued Spare Ribs

1. Cut 3 to 4 lbs. ribs into servings. Salt
2. Slice 2 medium onions
3. Blend:
  - 2 tbsps. Vinegar
  - Pinch red pepper
  - 2 tsps. Salt
  - 1/2 tsp. paprika
  - 1 tbsp. Worcestershire
  - 1/2 tsp. chili powder
  - 2 tsps. Brown sugar
  - 1/2 tsp. black pepper
  - 3/4 cup catsup
  - 3/4 cup water

Arrange 1, 2, and 3 in layers in roasting pan. Bake covered 90 minutes at 350 degrees. Remove cover. Bake 20 minutes longer at 375 degrees.

### Sweet Potato Pie

- 2 cups cooked sweet potatoes
- 1 tsp. vanilla extract
- 1 cup milk
- 1/2 tsp. lemon extract
- 1 1/2 cups sugar
- 1/4 tsp. ground nutmeg
- 2 eggs
- 1/2 tsp. salt
- 1/4 cup butter

Mix mashed sweet potatoes, milk, sugar, beaten eggs, butter, vanilla, lemon, nutmeg and salt. Add to unbaked pie shell and bake at 425 degrees about 45 minutes, or until it tests done in center.
